

29 June 2018

Dear Business / Property Owner,

## Night and weekend works at Abbots Road, Dandenong South level crossing

The new rail bridge to remove the Abbots Road level crossing is taking shape, with the first beams successfully installed over the road itself.

From Saturday 30 June to Sunday 8 July, our crews will be working 7am-7pm, seven days a week. Works include drainage, sandpit, signal foundations and installation of cables to deliver the communications and power supply required to operate the rail line. No road closures will be necessary during this period.

From Thursday 5 July, the remaining 28 bridge beams will be delivered to site and installed on either side of the rail bridge. As part of these works, the project team will be working night shifts. Except for the 18 and 19 July road closures, Abbots Road will remain open at night.

### What to expect:

- Weekend works on Saturday 30 June and Sunday 1 July, Saturday 7 July and Sunday 8 July.
- 7am-7pm work on site from Saturday 30 June to Sunday 8 July.
- Night works from Thursday 5 July until the 24 July.
- Noise from cranes and other heavy machinery.
- Teams of construction personnel at work.
- Increased movement of vehicles and equipment around the work zone.

### TEMPORARY OVERNIGHT ROAD DISRUPTIONS

As previously advised, there will be temporary road closures at the level crossing between:

- 7pm Wednesday 18 July until 4am Thursday 19 July
- 7pm Thursday 19 July until 4am Friday 20 July

Detours will be in place at the intersections with South Gippsland Highway and Frankston-Dandenong Road, with signage and traffic management also in place to assist motorists and cyclists. Access to local businesses will be maintained.

### HOW THIS WILL AFFECT YOU

- Periods of noise, including heavy machinery, around the level crossing during works.
- Traffic management will be in place and will enable entry for anyone requiring overnight access to local businesses during the two nights of road closures.
- We will notify surrounding businesses if there are changes to the works.

## Temporary Rail disruption

As works will need to be carried out in the rail corridor while trains are not operating, buses will also replace trains on sections of the Cranbourne/ Pakenham lines at varied times. For journey planning and service information, visit [ptv.vic.gov.au](http://ptv.vic.gov.au) or call 1800 800 007.

Thank you for your patience and understanding during these works. If you have any questions about these works or the project, please contact us 24 hours a day on 1800 105 105 or at [contact@levelcrossings.vic.gov.au](mailto:contact@levelcrossings.vic.gov.au)

Kind regards,

**Level Crossing Removal Project – Abbots Road**
