ACTIVITY CENTRES

- 1 Noble Park

OPEN SPACE IN NOBLE PARK

Noble Park has 34 hectares of public open space, comprising 29 parks. Noble Park contains a mix of passive parks, sports reserves and civic spaces. Cyclists and walkers can take advantage of the EastLink Regional Bike Trail, which connects to Port Phillip Bay at Carrum / Bonbeach. Ross Reserve is the largest park in Noble Park, with extensive sporting facilities and passive recreation areas including two playgrounds, three sporting ovals and a sealed athletic running track. The Noble Park Aquatic Centre (NPAC) recently underwent a \$21 million redevelopment. Upgraded facilities at NPAC include indoor and outdoor heated pools, Melbourne's biggest water slide, BBQ facilities, a 1/2 basketball court and group exercise classes. Construction on the Ross Reserve Urban and Youth Park will be underway shortly and will deliver premier skate park for the community.
