

Visitors Car Parking information in Dandenong Central (Effective June 2015)

The following provides important information regarding parking arrangements in and around Dandenong Central for visitors to the Dandenong Civic Centre.

On-street and Off-street Parking

There is on-street parking covering ¼ hour, 1 hour and 2 hour periods in the immediate vicinity of the Civic Centre as well as a number of off-street parking options including multi deck car parks in Walker and Thomas Streets. Fees and time limits apply.

Drop Off and Picks Ups from the Civic Centre

Some visitors to the Civic Centre may need to drop off or pick up heavy, awkward or bulky items. This can be done by parking in an on-street bay in the area surrounding the Civic Centre such as those on Lonsdale or Thomas Streets. You are required to obey any time restrictions and pay any applicable parking fees.

If you are driving a vehicle that is legally entitled to use a Loading Zone, you may park in any on-street time restricted bay for free, for up to 30 minutes. You must however obtain a Loading Zone ticket from one of the on-street ticket machines. Please follow the instructions on the machine to obtain a ticket.

Alternatively, you can access the Civic Centre basement car park. The entrance is via the lane way beside the building which can only be entered from Thomas Street. There are time limit restrictions for parking in the Civic Centre basement car park which apply during Library opening hours. Please ensure you adhere to these time restrictions to avoid an infringement notice.

Infringement Notices

Parking Management Officers regularly patrol both the on- street parking and Council owned off street car parking facilities to ensure safety of others and fair and equitable access to parking within the Dandenong Central Activity District. Compliance with time restrictions, payment of appropriate fees and enforcing safe and legal parking within the municipality is imperative. As a result infringement notices are issued to those who fail to comply with these restrictions. Prior to parking, please ensure you check the restrictions carefully as you are personally liable for any fines or infringements incurred.

For Further Information

If you have any questions regarding parking in and around the Civic Centre please discuss these with the person you are visiting or meeting with at the Civic Centre. Alternatively, you can contact Customer Service on 8571 1000.
